Beautiful and large ovoid-shaped ornamental vase, with two handles decorated with satyr masks, resting on a square base. Beautiful tangerine colored background, the side is adorned with a grisaille portrait of King François 1er. Empire style model from the Restoration period, circa 1820. Our vase is not signed, but certainly the work of a great Parisian manufacturer such as Dagoty / Honoré. Beautiful royalist historical souvenir, ideal to complement a neoclassical decor from the early 19th century. The tangerine color makes it very fresh, the gilding is well preserved.
