1 300 EUR

Signature : Xavier Froissard pour Daum

Period : 20th century

Condition : Parfait état

Material : Crystal

Diameter : 21 cm

Height : 32 cm

Description

Crystal, enamel and gold hot air balloon. Created by Xavier Froissard, great-grandson of Antonin Daum. Signed Daum France. Numbered 73/950. France 1989. Perfect condition. Xavier Froissard, a natural collaborator of the Daum company, found in the creation and design of crystal objects an extension of his pictorial research on reflection and transparency.
