Description

An impressive Antique Chinese Canton famille rose Medallion porcelain & gilt bronze chandelier. The porcelain would have been mounted in ormulo on it's importation into France in the second half of the nineteenth century. It was fitted for electricity later and is sold with some fittings (see photo). The ormulo is very dirty and would benefit from a good clean. The porcelain is in perfect condition. I apologise for the quality of the photos, they do not do this amazing piece justice.

By removing one of the links it can be shortened by 25 cm, or by shortening the links the total height can be altered to suit your needs.
