Description

Chinese console in carved and lacquered wood - 19th century

Very beautiful Chinese console in carved wood 19th century. This elegant piece is distinguished by its clean lines and its refined ornamentation work, typical of Chinese craftsmanship of this period. The front of 2 drawers is decorated with openwork geometric and meandering patterns, evoking the traditional Chinese style, with patinated metal fittings that add a touch of authenticity. The feet and sides are also decorated with carved patterns. The wood has a beautiful original patina, which testifies to its age and adds to its unique character. This console, with its harmonious proportions, will fit perfectly into a classic or contemporary interior, bringing a touch
