Signed lower right A. Slavícek 1908
Framed.
Inscription and number on the back

Antonín Slavícek is a Czech impressionist painter. He is the leading representative of Czech art of the 1900s, which emerged from the legacy of moody realism, but he began in 1898 to create paintings with rapid, quivering touches of colour that evoke the impression of movement and swirling. He was a master at capturing light and shadow.
