18th Century Rouen Earthenware Planter

650 EUR

Period : 18th century

Condition : Etat d'usage

Material : Earthenware

Diameter : 28,5cm

Height : 23,5cm

Description

Elegant earthenware planter with blue decoration on a white background, round in shape with two handles. The decoration, typical of Rouen productions, includes stylized lambrequins and floral motifs in shades of blue, applied by hand. The whole has a beautiful patina, with a network of old cracks under the enamel, testifying to its authenticity. A rare and decorative piece, representative of the art of earthenware in Normandy in the 18th century.
