- Carved Wooden Pedestal Table - Caryatid - 19th Century

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

- height 80 cm with a diameter of 48 for the entablature tray - - the designation "caryatid" is not totally justified of course, as the figure carries the tray with the arms and not on the head... .. - beautiful patina, probably from the Napoleon III period, the piece could have appeared in one of the first colonial exhibitions -
