Sèvres Vinsare, Paul Sailly, Rabbit In Earthenware 1930

280 EUR

Signature : Paul Sailly
Period : 20th century
Condition : Parfait état
Material : Ceramic
Length : 20 cm
Width : 11 cm
Height : 22 cm

Description

Rare ceramic from the factory created by Paul Sailly in 1929 in Sèvres. This rabbit crouching on his ratchet seems alert, his ears erect. This ceramic is covered with so-called chagin enamel which gives a crisp appearance to the surface. Work in perfect condition, no cracks or chips. Signature under the base.
