Description

Gilded Iron And Celestial Crystals Chandelier 1950, featuring an elegant and romantic design. This six-light pendant, with E14 connections, features six curved arms ending in flower-shaped bobeige. The gilded cage-shape iron frame is topped by crystal elements and decorated with a variety of transparent and blue crystals, festoons, chains and pendants of different shapes, which catch the light in an evocative way. Coming from a private home, this Italian chandelier has been fully restored and rewired according to European standard.Perfect condition, ready to be hung and give a touch of elegance to any room.
