## Description

Magnificent marble bust This splendid bust, sculpted from marble of rare quality, depicts a mature man with a full beard and wavy hair, in a style reminiscent of Greco-Roman art. Slightly inclined pose, meditative gaze: the work embodies both wisdom and solemnity. Presented here in a medieval castle room, rich with stone walls and antique tapestries, the object dialogues with the historical decor. The subdued light of the torches highlights the finesse of the chisel and the depth of the expression. An exceptional example, ideal for a discerning collector or to give an interior a truly timeless presence.19 ème sous réserve plus ancien
