Description

Large mirror with pediment decorated with a diamond with rosettes, foliage, cornucopias, flanked by drapery falls. In carved wood and gilded with gold leaf, our mirror is a Lyonnais work from the Louis XVI period (end of the 18th century). Our mirror is complete, with a beautiful and rich Louis XVI decoration finely carved and its antique mirror. This is one of the most beautiful Louis XVI mirrors that we have had in our hands in 10 years, the diamond pediment is very original. Beautiful large piece, very decorative, and in good condition. The gold leaf gilding is the original one from the 18th century which was cleaned by our gilder. The mirror with a slightly stained tin. Width: 89cm Height: 136cm
