Gilded Repoussé Copper Bellows. Louis XIV.

800 EUR

Period : 18th century

Condition : En l'etat

Material : Copper

Length : 31cm

Width : 16cm

Description

Rare wooden bellows covered with embossed copper plates, traces of gilding. Excellent copperwork that we believe to be from the 18th century. Its partial destruction allows us to study the construction of the empirical but effective and durable system. The forged nails are all of different sections. The leather is worked in diamonds. To be restored or not. 31x16cm.
