Description

A hand-blown glass bottle...With two layers...One transparent and one red...Enameled in color and gilded...All with a nice thickness...From the 1920s...Origin: BOHEMIA - CZECHOSLOVAKIA...The stopper is sandblasted...In perfect condition, just some oxidation from age...But no wear...It is a fairly large bottle with a wider opening than a classic perfume bottle...Perhaps for cotton...A cylindrical model...Weight... 756 g
