4 900 EUR

Period : 19th century

Condition : Très bon état

Material : Earthenware

Length : 58 cm

Width : 41 cm

Height : 45,5 cm

## Description

A stunning glazed earthenware planter made by the Sarreguemines manufactory around 1875. In the Majolica style, it stands out with its vibrant colors and finely detailed floral decorations. The piece features two back-to-back tritons supporting a large ovoid bowl - an original and highly decorative composition.
