Description

A vibrant and expressive floral still life by Francesca Plasa (1921), painted in oil on canvas. This work features a lush arrangement of yellow ranunculus and white daisies, captured in dynamic, impressionistic brushstrokes. The earthy green and ochre background adds a soft contrast that makes the blossoms burst with color and vitality. Plasa's confident technique and sensitivity to light reflect the emotional warmth and elegance typical of Post-Impressionist floral painting. Housed in an ornate antique-style gold frame, this piece is perfect for collectors and interior designers seeking a refined focal point with timeless charm.Subject:Floral Still LifeArt Movement:Post-Impressionism / Modern Figurative ArtArtist:Francesca Plasa (1921)Medium:Oil on canvasFrame
