Samson

580 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Height : 30,5 cm

Description

Pair of two-branched porcelain and gilt bronze candlesticks, probably from the Samson factory in the late 19th century. This factory perfectly imitated the porcelain of the Compagnie des Indes "famille rose", gilt bronze trim with flower and leaf decorations. Two bobeches are missing, little impact on our candlesticks.
