Decorative Greek-style Bust On An Iron Pedestal, Second Half Of The 20th Century

2 750 EUR

Period : 20th century

Condition : Très bon état

Material : Terracotta

Description

An elegant Greek-style bust, created during the second half of the 20th century; inspired by classical antiquity, it is likely based on a famous model housed in a museum. Crafted from reconstituted stone, this sculpture faithfully captures the timeless beauty and noble character of ancient Greek portraits.The figure features finely sculpted features, flowing hair, and idealized proportions, reflecting the enduring influence of Classical and Hellenistic art. Mounted on a custom-made iron base, the bust takes on a more contemporary look while retaining its historical inspiration.Its imposing dimensions and sculptural quality make it an ideal decorative piece for a library, entryway, garden, terrace, or any interior inspired by classical architecture.A refined decorative piece,
