Description

A magnificent Louis XIV writing desk made of solid walnut from the late 17th - early 18th century.It features an attractive base with four faceted, baluster-style legs, connected by a faceted crossbar adorned with a spindle in the center.Each leg is topped with a small, flattened, hexagonal ball.The lower section features a large crosswise drawer on the front.The piece is topped by an overhanging top adorned with beautiful molding around its entire perimeter.Please note a few small stains on the top, some touch-ups, some routine restorations (drawer bottom replaced), as well as a small chip on a ring at the crossbar (see last photo)--all of which are entirely normal given its age and use.Dimensions:height to top: 69 cmheight to bottom of trim: 52 cmlength: 104 cmdepth: 64 cmPlease contact us
