Fluorite Or Fluorine, Rare Pair Of Hexagonal Columns From The Art Deco Period

2 250 EUR

Period : 20th century

Condition : Très bon état

Material : Semi precious stone

Height : 25 cm

Description

Rare pair of octagonal columns in pink and red fluorite or fluorine with contrasting ribbon patterns mounted on bronze with a slightly gadrooned top and typical art deco period feet. Very beautiful pair of decorative columns from the art deco period made from an unusual and crystalline material. The decorative effect is superb and these columns can easily find useful functions on a desk or in a library. Decorative elements quite rare in the use of this type of fluorine which can happily enhance an art deco interior. Dimensions: 25 cm high. We deliver and ship all over the world, please contact us for a precise quote.
