A Pair Of Late 19th-century German Majolica Ceramic Busts

3 800 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Ceramic

Width : 31 cm maximum

Height : 52 cm

Description

A pair of late 19th-century German majolica ceramic busts, large in size and meticulously detailed; they appear to represent caricatures of the Napoleonic era. Irony and satire were very popular in foreign countries opposed to Napoleon's policies, as they were subject to intense censorship within the Empire.
