Description

A very beautiful and elegant Louis XIV-Regence-style armchair with leather upholstery and a high back, ideal for an office. The base of our armchair consists of four baluster legs connected by an X-shaped crossbar topped by a spindle in the center.The armrests have a sweeping shape, flaring widely outward and ending in a crook.The backrest is slightly sloped and shaped like a gendarme's hat at the top.It is upholstered in burgundy leather that has developed a magnificent patina over time and features a studded finish.The upholstery is in very good condition, and the seat is very comfortable.This chair, a fine example of craftsmanship from the second half of the 19th century, is suitable for a variety of uses.Dimensions:backrest height: 116 cmseat
