Description

- Masonic solid silver regulator pocket or pocket watch from the watch brand James Favre-Fallet located in Saint-Imier in French-speaking Switzerland in the canton of Bern. French chimera hallmark of 800/1000 fineness expressed in thousandths for imported watchmaking in use in France from May 10, 1838 to June 30, 1893. - This hallmark is stamped on foreign watches in solid silver presented in Paris (according to cutting) and departure (with different). - This import and fineness hallmark was replaced on July 1, 1893 by the swan import and fineness hallmark. The chimera hallmark is present on the bowl, the dust cover and the edge of the regulator watch case with the different letter P (departure) inside the chimera hallmark on the top at the level of the rear end of the chimera. The letter P
