Description

Solemio Wall Console with Mirror by Giotto Stoppino for Acerbis 80sAn iconic piece of 1980s Italian design, this console perfectly illustrates Giotto Stoppino's mastery of geometry and kinetics.Its clean lines are based on a sculptural balance: a warm wooden wall shelf crossed by an articulated arm in black-and-white lacquered metal, allowing you to adjust the circular mirror as you wish. Both functional and resolutely graphic.Height: 150 cmWidth: 150 cmDepth: 37 cm
