Description

Fine Quality William IV Period Rosewood Center Table with Faded Golden Color & PatinaThis William IV period early 19th-century center table is crafted from well figured rosewood, and features a circular tilt-top along with a turned baluster stem and lapped carved collar. The table is elegantly supported by a concave-sided trefoil platform, raised on turned bun feet with concealed castors. Made in England circa 1830, it exemplifies fine craftsmanship.This rare William IV period well figured rosewood center, breakfast or dining table showcases a circular tilt-top top with outstanding contrasting grain above a shallow frieze. It stands on a tapered, flat-faceted column that terminates in a trefoil base, complete with bun feet and castors. The figured rosewood exhibits a rich, warm
