Description

Refined and imbued with poetry, this ribbon-patterned blue agate cameo pendant is a piece of jewelry of great delicacy. The cameo, with its deep, nuanced blue hue, depicts a woman in profile looking to the right, wearing a hat typical of the very early 20th century. Her graceful gesture--her hand pointing slightly toward her chin--lends the scene a lively and elegant movement.The cameo is delicately encircled by a row of cultured pearls, adding softness and light that contrast beautifully with the blue of the agate. The piece is set on a 750 yellow gold cord chain, whose fine, lustrous twist harmoniously complements the composition.This piece of jewelry combines the art of the cameo, Belle Époque elegance, and jewelry craftsmanship in a rare harmony of material,
