Description

Console table with mirror frame, Louis XV style. Carved wood. 20th century. A mirror frame adorned with a series of delicate openwork elements--both botanical and architectural--in the French Louis XV style, arranged in a geometric composition softened by the curves and undulating forms of the decorative motifs. The console table features a similar design but places greater emphasis on the volutes and architectural details that adorn it, highlighting both its cabriole legs and the lower molding that connects them to form a central motif.· Dimensions: 168 x 56 x 249 cm
