Description

Pair of vintage lamps from the 1940s/50s in brass and gilt bronze, in the style of Robert Mathieu or Arlus. A very interesting pair of lights with a clean, elegant design that creates a sophisticated look. The lamps are adjustable thanks to their upper arms, allowing for multiple positions. The very soft light is ideal for illuminating an object from above or for reading, for example. Original lighting in excellent working order with a switch on the base. Position the pair symmetrically for a beautiful decorative touch in both modern and classic interiors. Height of the lamps alone: 45 cm. Delivery available in France and worldwide via secure, insured package with order tracking. Collection is also possible at Domaine Avallrich, Montescot 66200, or at the Montpellier Cipolat market every two months on the terrace.
