Description

This oil on canvas dates from the late 19th century and is a quality work. On the left, one can see undergrowth, and on the right, rocks and a woman at the edge of the woods. The handling of light is very interesting, particularly on the rocks. The painting is in more than acceptable overall condition, with some minor rubbing. It is sold unframed. There is a signature in the lower right corner that we have been unable to identify; we read Delorme or Delarme. We welcome any information regarding the signature. Sold uncleaned and unrestored. For condition details, please carefully examine the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 58.5 cm Width: 69 cm Thickness: 2 cm A4024
