Description

A charming 19th-century landscape, painted in oil on canvas, depicting a peaceful natural scene: slender trees, autumnal vegetation, and a distant horizon beneath a luminous, slightly cloudy sky. The brushwork is fluid, the tones soft and natural, evoking a serene atmosphere typical of landscape painters of the period. The canvas is signed in the lower right corner (signature to be deciphered). It is presented in a period Napoleon III frame, gilt-leafed, which enhances the depth of the landscape.
