## Description

Large, extendable oval teak dining tableDesigned by Harry Østergaard, produced by Randers Møbelfabrik (Denmark, 1960s). Description and condition:An elegant Scandinavian oval table made of teak and high-quality teak veneer, resting on four tapered legs of solid teak.A rare configuration on the market: it comes complete with its two original extension leaves, each featuring a matching strip (band), allowing the tabletop to maintain its fluid, continuous line even at its full length (seating up to 10-12 guests). Condition: In superb condition. The tabletop and both extension leaves feature warm grain and a beautiful continuity of color, with no major flaws. The extension mechanism and slides function perfectly.Dimensions (to be verified on your table before publication): Length when closed: 170
