Description

One can't help but think of "Rêveries d'un promeneur solitaire" or Schubert's song cycle when contemplating this painting. A young man, accompanied by his faithful dog, takes a break in nature at the foot of a tree: what could be more romantic than this image, steeped in the verses of Chateaubriand or Novalis?Curiously, the panel has been coated with tow and has no slot.The painting has been cleaned because it was very dirty.It comes with a light Louis XVI-style frame; an Empire-style frame would be more suitable. In any case, this painting exudes a thoroughly romantic aura. Panel dimensions: 57 cm x 44 cm
