Description

A very attractive hat form, known as a milliner's mold. It was indeed used to mold hats into the desired shape. This is a top hat, constructed in several parts, as indicated by the traces of tin soldering. A beautiful piece of craftsmanship--you'll find other models like this in my proantic gallery.In good overall condition, but there are numerous signs of oxidation. These are clearly visible in my detailed photos--please examine them carefully; I'm not hiding anything!European craftsmanship, likely French, dating from the second half of the 19th century. Dimensions: 18 cm H x 28.5 cm x 23 cm.SHIPPING TERMS BELOW Free shipping within France; payment and shipping within Europe only! European shipping and payment only--please send me a message.
