A Set Of Three Engraved, Polychrome Marble Discs On Stone Bases - Indochina

500 EUR

Period : 20th century

Condition : Très bon état

Material : Marble

Description

A beautiful set of three decorative marble discs in natural shades of beige, pink, and ochre, adorned with finely engraved Asian landscapes and enhanced with polychrome and touches of gold. The compositions depict traditional dwellings, bamboo, and a scene of fishing with a square net. Artists' monograms are present on two of the discs. Each disc rests on an elegant green stone base.Probably a 20th-century Indochinese piece.Disc diameters: 12, 14, and 16 cm.
