Description

An elliptical stoneware studio pottery vase created by the British artist Bernard Irwin. The wheel-thrown or hand-built ceramic vessel features a flattened oval cylinder form that tapers towards the base and neck opening. The exterior surface is decorated with a multi-colored abstract geometric glaze design containing distinct blocks of cobalt blue, light blue, teal, and cream tones. Incised sgraffito lines and textured scratch patterns accent the colored panels. interior cavity is finished with a dark brown glaze. The unglazed beige bottom surface features an incised script artist signature reading IRWIN. The physical item measures approximate 13 cm in height, 12 cm in width, and 7.5 cm in depth.
