combining the principles of Neapolitan Verismo with a refined psychological introspection.In this bronze head, the artist demonstrates the full extent of his portraiture mastery: the energetic and textured modeling naturally captures the subject's features, from the proud gaze to the fluid movement of the hair. The work is further enhanced by its casting at the renowned Fonderia Artistica Gemito in Naples--a guarantee of the highest technical quality in lost-wax casting--and is enriched by an evocative period green patina that accentuates its volumes and chiaroscuro effects.Period: Late 19th / Early 20th centuryDimensions:Height 37 cmWidth 26 cm (English)
