Shaving Dish - 18th Century

260 EUR

Period : 18th century

Condition : Restauré

Material : Earthenware

Width : 32 cm

Description

Shaving dish - 18th century. Shaving dish in blue monochrome earthenware. Raised rim. Origin to be identified: Rouen? Other? 18th century dating certain based on the type of decoration.
Originally restored with staples; two staples removed and a crack repaired with cyanoacrylate (sounds perfectly). No other repairs. The only remaining trace is the consolidated crack and four chips/shavings (see last photos). This piece remains highly decorative and important from an iconographic point of view. For a seasoned collector who doesn't want to spend an unreasonable sum! Width 32 cm.
