In the center, within a cartouche imitating a quatrefoil vignette with cut corners, unfolds a polychrome figurative scene depicting a young woman dressed in classical style, draped in a yellow robe and a red cloak. The whole is set against a purplish-pink background, worked to imitate a precious stone and enlivened with white veins. The border features a rare deep blue ground, framed by broad gold fillets along the edge and the drop. Mark: Brushed in high-fire blue with double intersecting "ARROWS", Dimensions: Diam. 23 cm Condition(s): PERFECT CONDITION - Just minor wear to the gilding from use. Period: DIRECTORY / CONSULATE.
