Miniature

130 EUR

Period : 19th century

Condition : Quelques manques

Material : Bone

Length : 11 cm.

Width : 5 cm.

Description

Two miniature portraits of Louis XVIII and Charles X, painted on small bone discs 18 mm in diameter. There is some damage to the supports, but the portraits themselves are complete. These two miniatures are mounted on a fairly thick 19th-century paper backing, as evidenced by the imprint of the discs. The entire piece is glued onto a blue background and has been folded for protection. The names of each sovereign are written below their portraits.
