Description

- Patinated bronze. Marble base. - 32 x 26 x 26 cm (Including base)- This exclusive sculpture of Tutankhamun, made by Ediciones Skel, represents a pinnacle of artistic craftsmanship and decorative archaeology. Estimated at EUR3,070, this piece is not simply a representation of the young pharaoh, but a true technical tour de force, thanks to the ancient lost-wax casting technique, guaranteeing an exceptional level of detail and impeccable formal fidelity. The work is distinguished by the following technical and artistic qualities: Materials and finishes: Entirely cast in high-quality bronze, the sculpture features a patina that gives it visual depth and an aura of classical antiquity, enhancing the iconic features of the funerary mask. Luxurious base: It rests on a robust travertine marble base, whose porous

texture and stony tones evoke the monumental constructions of ancient Egypt. Guaranteed exclusivity: This is a limited edition, hand-numbered and divided into nine series (from 1 to 998 copies each), making it a collector's item. Dimensions and presence: Weighing approximately 10.5 kg, this harmoniously proportioned piece will captivate for the most discerning collectors. The sculpture measures 30 x 23 x 24 cm, while its marble base, measuring 4 x 22.6 x 22.6 cm, adds to its height. This work from Éditions Skel is an artistic investment that captures the mystery and majesty of the last great icon of the Valley of the Kings, and is destined to grace spaces with historical elegance and imposing material solidity.
