Description

Antique Hamadan rug from Iran, part of the tradition of Persian tribal weaving. The Hamadan region, located in western Iran, has a long history of rug making and boasts a rich heritage of craftsmanship, renowned for the diversity of its products and their authentic character.This tribal rug is a testament to traditional craftsmanship passed down from generation to generation. Weaves from this region are prized for their regional identity, their decorative compositions inspired by local traditions, and their unique character. Each piece is part of a textile history deeply rooted in Persian culture.Made of wool, this rug possesses the qualities of a natural material traditionally favored in tribal production: durability, warmth, and a pleasant feel. Its age gives it the distinctive charm of vintage Persian
