Description

Pair of Spanish Chairs in Oak and Embossed Leather - Renaissance Style A very beautiful pair of Spanish Renaissance-style chairs with Baroque influences, likely from the late 19th or early 20th century.These two chairs are distinguished by their remarkable embossed leather decoration, featuring rich floral motifs, scrollwork, and symmetrical ornamental compositions.The rectangular seats and backs are upholstered in dark leather with embossed decoration, accented by a border of large decorative brass-toned nails.The wooden frame, likely made of oak, has a beautiful brown patina and turned legs characteristic of traditional Spanish furniture.The front crossbars are particularly decorative, with elegant carved symmetrical volutes that lend the pieces a rich ornamental quality.The combination
