Description

Refined Italian rectangular table from the mid-19th century, crafted in solid walnut wood, in typical Sorrento style.The rectangular top, with shaped corners, is decorated with an elegant geometric inlaid border and enriched by a striking central marquetry motif depicting a classical chariot drawn by horses, inspired by the ancient world.The table stands on a turned central column ending in a tripod base with three shaped feet, giving stability and decorative elegance. A unique antique piece, ideal as a centre table or side table for refined interiors.Origin: FrancePeriod: Mid 19th centuryDimensions: 92 × 58 × 73 H cmSKU: 17340
