33-gram Yellow Gold Necklace

4 900 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

This necklace, crafted from yellow gold and weighing 33 grams, offers a striking presence and a substantial feel when worn. The warm hue of the yellow gold enhances the understated design and highlights the quality of its craftsmanship. A timeless piece, both classic and elegant, it's ideal worn alone for a clean, minimalist look or layered for a more contemporary style.
