The total weight is 466Grams and the diameter of the coral is between 10 and 11 mm.
The golden clasp is wide circa: 6.5 cm and when the clasp is closed the length of the clasp is circa: 10 cm.

An unusually large antique red coral necklace with a large gold filigrain clasp. This style of necklace was worn by the wives of the Zeeland gentlemen farmers, and the wealthier the farmer was, the larger the necklace was made so the farmer's wife could show it off.
This is a typical Zeeland costume worn in the province of Zeeland, on the islands south of Rotterdam.
