Pair Of Baluster Brass Andirons On Tripod Base, 1950s

1 250 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Width : 20

Height : 32.5

Depth : 37.5

Description

Here is a piece of real character, made as much for the eye as for use. Pair of gilt brass andirons, the baluster-turned uprights set on a tripod base ensuring stability. The balance of the turning and the three feet composes a slender, elegant silhouette. French work of the 1950s. It will naturally find its place before a carefully dressed hearth and will appeal to lovers of bold, signed design.
