Romanesque-style Carved Stone Capital On A Pedestal, 20th Century

1 850 EUR

Period : 20th century

Condition : Bon état

Material : Stone

Description

A decorative Romanesque-style stone capital, sculpted in the 20th century and mounted on a pedestal. Inspired by medieval architectural elements, this capital features stylized motifs and a three-dimensional sculpture reminiscent of historical Romanesque ornamentation. Its vertical presentation accentuates its sculptural presence, making it an ideal piece for interior decoration, architectural enhancement, or garden design. A remarkable object that combines historical inspiration with contemporary craftsmanship. Dimensions (including pedestal): Height: 167 cm Width: 30 cm Depth: 30 cm Condition: Very good condition. Minor wear consistent with age and the material. Structurally sound and highly decorative.
