980 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Width : 7.5

Height : 18.5

Depth : 41.5

Description

Here is a piece of real character, made as much for the eye as for use. Pair of gilt brass andirons, the uprights turned in baluster form crowned with a ball, on curved feet. The careful turning and the glow of the brass mark a piece of neoclassical tradition. French work of the 1950s. It will naturally find its place before a carefully dressed hearth and will appeal to lovers of bold, signed design.
