Louis XV-style Cabinet With Marquetry

1 600 EUR

Period : 20th century

Condition : Très bon état

Material : Wood marquetry

Description

Luxurious small French Louis XV-style piece of furniture in marquetry and burr (root) briar veneer, with lemon-tree fillets, solid rosewood legs adorned with its gilded bronzes. The writing surface is covered with red leather and the piece of furniture has 4 matching drawers at the top and 5 drawers at the bottom. The top is also decorated with a candlestick and a white candle.It was probably commissioned to a cabinetmaker by a collector of French fashion dolls.It was made during the first half of the 20th century.Unfortunately, the small watch at the top of the cabinet is not in working order.It is in perfect condition!It is a perfect piece of furniture to display with your French fashion in size 4! Dimensions:14 1/2" (37cm) total height at back10"(25cm) height of writing surface 10"
