Description

Here is a piece that immediately stands as a true hearth sculpture. Pair of Art Deco wrought iron andirons, the front motif structured around a geometric lozenge framed by crisp lines. The rigour of the design and its stylization reflect the aesthetic of the 1930s. Fine ironwork of the Art Deco period. A utilitarian object turned decorative work, it will powerfully dress a contemporary fireplace or a characterful interior, and will delight lovers of fine ironwork.
