Description

A pair of silver-plated candlesticks of the 1900 period by the English firm Richard Hodd & Co Ltd.Decorated with Corinthian columns.Height: 37 cm Base: 15 x 15 cm Candleholder weight: 2kg260 This pair of candlesticks, which can be dated by the hallmarks between 1890 and 1910, is in fairly good condition.But they show some wear to the silver plating, especially on the stepped base, and a few micro-shocks on the edge of the base . These flaws are consistent with their age, but in no way detract from the overall beauty. The Clark mark is that of the dealer at the time.
